YOU CAN STILL SUPPORT OUR GROUP WHILE SUPPORTING ONE OF THESE IMPORTANT ORGANIZATIONS.

WORLD VISION

World Vision is a Christian humanitarian organization dedicated to working with children, families, and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice. For more info, visit: worldvision.org

World Vision works in the U.S. to create environments where all children are healthy, cared for, protected, and participating in their communities. We focus on some of our nation's most distressed and underserved communities by providing products such as school supplies in our Teachers Resource Center, clothing, personal hygiene items and basic household goods to families struggling from extreme poverty and/or impacted by disaster. Your gift to World Vision will help children in need here at home reach their full potential.

Once your paid order has been processed, the magazine gift cards and donation check will be sent directly to the designated non-profit. That group will then distribute the gift cards to those in need through their organization.

USO

Your generosity helps the USO fulfill its mission of lifting the spirits of America's troops and their families. Your contribution and gift will be sent to the USO, who will then distribute the gifts to our service men and women and their families.

SAVE THE CHILDREN

Save the Children believes that every child deserves a future. In the United States and around the world, we give children a healthy start in life, the opportunity to learn and protection from harm. We do whatever it takes for children—every day and in times of crisis—transforming their lives and the future we share.

Your generosity today will support children in our U.S. Programs, helping us reach even more of our nation's poorest boys and girls and their families with gift cards—and hope. Thank you for caring.

CLARKE SCHOOLS FOR HEARING AND SPEECH

Children who are deaf or hard of hearing learn to listen and talk with specialized therapy and early education provided by Clarke, and access to sound provided by hearing aids or cochlear implants. These children typically graduate to their neighborhood schools by kindergarten and thrive in school, in their communities and in life! Go to www.clarkeschools.org to meet children who are deaf or hard of hearing who listen and talk! Your gift will help to ensure that children with hearing loss have the best opportunity for success.
